

Riley Yuhas

OHSA Level 3 Judge
Western, Hunt Seat, and
Ranch Horse

Riley has been heavily involved in the equine industry her entire life. Coming from a long line of equine professionals, she was an avid showman her entire youth career. Once grown, she continued her education at the University of Findlay, where she received her degree in Equine Studies with Western Emphasis. Now, as an equine professional herself, she continues to be heavily involved with several associations, including AQHA, OQHA, NRHA, APHA, OHSA, PtHA, and many more. She currently runs and manages Yuhas Show Horses in Wellington, Ohio alongside her husband, where they specialize in the western and English all-around horse, ranch riding, and reining. She loves training, showing, and teaching, and plans to continue expanding her judging career as well.
