Pattern Notes

All patterns should be ridden as written. Drawn pattern is for visual support only.

Cones (or similar marker) MUST be used if there are cones/markers in the pattern.

If you are a walk jog/trot rider and the pattern has a lope/canter included, you should follow any specific direction for walk jog/trot riders. If there are no specific instructions and the pattern includes lope or canter you should jog or trot wherever a lope or canter is called.

Similarly, for gaited riders that show in saddle seat, side saddle, ranch horse, trail, unbridled, challenge, bareback, exceptional, and ONLY, should perform their second gait when jog or trot is called, and their third gait when lope or canter is called for.
